Mindroom

Mindroom is a charity that champions all forms of neurodiversity and supports all kinds of minds. Our mission is to be a leading centre for change, in how we live, work and learn. We achieve this through support, education, advocacy, and research.

Job purpose

We have recently been awarded funding from the National Lottery Community Fund Young Start Programme to facilitate a large-scale rights and participation project for neurodivergent children and young people aged 8-24 living in Scotland. The post holder will be responsible for working alongside children and young people to support them to design and implement a project to increase awareness of the rights of neurodivergent children and young people and collectively advocate for societal change. This will involve engaging with children and young people across Scotland on an individual and group basis, as well as facilitation of our young people's stakeholder group, neuropoint. The postholder will have highly developed skills in communicating with neurodivergent children and young people and promoting accessibility. They will have skills in experience in designing and facilitating participative projects and will be passionate about promoting and realising the rights of neurodivergent children and young people. This is a youth-led project so the project activities will be identified and designed through consultation with neurodivergent children and young people across Scotland.

Main Duties

- Design and promote recruitment campaigns to encourage neurodivergent children and young people to become involved in the project, and to become members of our young people's stakeholder group, neuropoint.
- Facilitate regular meetings of neuropoint and support engagement of neuropoint members.
- Consult with neurodivergent children and young people using a variety of communication methods to identify the issues that are important to them and the changes they would like to see in society.
- Work with neurodivergent children and young people to analyse consultation responses and create a Manifesto for Change.
- Support neurodivergent children and young people to identify, design and carry out activities to promote their Manifesto and work towards achieving societal change.
- Provide accessible opportunities for participation in all activities, ensuring neurodivergent children and young people have opportunities to use and develop their individual strengths and talents and work towards positive outcomes.

- Work collaboratively with relevant organisations to widen opportunities for participation for neurodivergent children and young people and increase the impact of project activities.
- Maintain accurate casework records in accordance with best practice and to ensure confidentiality in line with Salvesen Mindroom Centre's policies.
- Contribute to data collection and analysis to support Monitoring and Evaluation of the project.
- Maintain appropriate safeguarding training and knowledge and follow Salvesen Mindroom Centre's Safeguarding Policy at all times.
- Contribute to the development of our Direct Help and Support Service and participate in relevant projects.
- As part of the wider Salvesen Mindroom Centre team, help to respond to consultations that may influence statutory organisations as they formulate policy and practice, ensuring the views of children and young people engaging in the project are represented.
- With other team members, collaborate with partner agencies and charities to explore working partnerships.
- Participate in Continuous Personal Development in relevant areas to allow growth and confidence within the role.
- The post holder will need the flexibility required to be part of a developing team, with the ability to adapt to evolving processes and ways of working to deliver the best possible service to the families we are supporting.
- Other appropriate duties as required.

Additional information

The salary range is £25,290-£28,464 pro rata. The successful applicant will be appointed at point SO6/4 on our salary scale: £27,635 pro rata. This is a fixed term role until the 31st of March 2028. We offer 27 days annual leave, plus 8 days public holidays, pro rata for part time employees. The charity operates a contributory pension scheme to which the employer contribution is currently 5%. There is a mileage allowance for own car use. We have a confidential conversations service in place for all staff, currently provided by Crossreach. Out of hours work is covered by a TOIL policy. PVG registration is required for this role and the successful applicant will be expected to comply with the Salvesen Mindroom Centre's policies and practice, including confidentiality and data protection. As a new employee you will be required to successfully complete a 6-month probationary period.
